

## Northern Sydney Area Tenants' Service

Provided by Marrickville  
Legal Centre

Northern Sydney Area Tenants' Service (NSATS) provides free, confidential legal information, advice and advocacy to renters living in social and private residential housing.

NSATS helps renters living from North Sydney to Ryde & Pittwater. We provide advice to renters on their rights and responsibilities. We do not give advice to landlords.

We can help with issues such as:

- Getting repairs done
- What you should do if you are given a notice of termination
- Dealing with Public Housing or Community Housing Providers
- Issues with your rent
- Going to the NSW Civil and Administrative Tribunal including appealing a decision of the Tribunal
