Marrickville Legal Centre
From the inner west, serving NSW

Dear Supporter,

As we approach the end of the year, Marrickville Legal Centre would like to reflect on our achievements and extend a thank you to our staff, partners, donors, volunteers, and members who have supported us over 2025.

In 1979, a small group of law students set up a single room in Marrickville Town Hall with a vision for better access to justice.

Forty-six years later, we're needed more than ever.

Our impact

These numbers demonstrate the vital role community legal centres like MLC play as a safety net for Australians who are experiencing financial stress and are unable to engage effectively with our justice system.

Thank you once again for supporting our efforts in improving access to justice throughout the year. We look forward to supporting the community once more in 2026. Together, we will continue to deliver #JusticeForUsAll.

Warm regards,
The MLC team

GIVE THE GIFT OF JUSTICE

Give the gift of justice this festive season!

All the numbers above tell a story: Marrickville Legal Centre's free and affordable legal services are a lifeline for the most vulnerable in our community.

But we can't do it without your support.

This festive season, even a small donation helps us deliver justice to those who need it most.
